

FBI Houston Teen Academy Application

FBI Houston's Teen Academy will welcome a selected group of high school students to the FBI Houston Field Office on **Friday, August 2, 2019 from 8:15 a.m. to 6 p.m.** Space is limited.

The FBI's Teen Academy is designed for high school freshmen, sophomores, juniors, and seniors who have at least one year remaining in their academic career at the school (i.e., seniors graduating high school in Spring 2019 do not qualify). This enables students to share the information they have learned and serve as peer mentors, when appropriate.

The program is not exclusive to students interested in criminal justice. Due to the vast diversity in our workforce, any student with an interest in the FBI, what we do, and how a relationship with the FBI can help their school and community is encouraged to apply. The primary objective is to identify students who are capable of leadership and have an interest in what the FBI does to protect the American people and uphold the Constitution of the United States.

All students will be evaluated based on their application (GPA, school activities and community involvement, and answers to application questions) to determine which students will be offered a seat in the class. None of the above elements will be the sole basis of evaluation of an application and the application process should be taken seriously by all applicants.

The application **must be received by 5 p.m. on July 19, 2019** for review. Incomplete and late applications will not be accepted.

Email application to outreach.houston@fbi.gov

Students will be notified of their application status via email. Students selected to attend the FBI Teen Academy will be given additional information about the program and will be required to confirm their planned attendance.

Punctuality, professional behavior, and appropriate dress will be required of all students attending this program.
